

## FOR MULTI-CHANNEL INTEGRATIONS

Contact us for a free  
30 minute scoping call

### Pricing

### Additional Information

## One-Way Inbound

\$5-10 per week (billed annually)

Creation of orders, consignments, products etc in CartonCloud (e.g. importing files, connecting Shopify etc) and attaching documents (e.g. customer invoices).

### Pricing

### Additional Information

## One-Way Outbound

From \$720 one-off + \$5 per week (billed annually)

Creating orders or bookings in another software platform (e.g. shipping aggregator) or a scheduled custom report etc.

### Pricing

### Additional Information

## Two-Way (Single Channel)

From \$15 per week (billed annually)

Creation of orders or consignments in CartonCloud plus providing information or updates back (e.g. creating orders from Shopify and updating status automatically).

If the scope of the requested integration falls significantly outside of the standard range, additional charges may be applicable (these will be communicated upfront prior to any charges being incurred). No refunds on annual invoices if the integration is cancelled, however, no further charges will be incurred. Testing / Support / Training outside of the above charged at \$180 + GST per hour. All charges subject to the CartonCloud Terms & Conditions of Services available at <https://app.cartoncloud.com.au/terms-of-service>. All prices exclude GST.
